Preventive Care See what screenings and immunizations you are due for in your personal action plan at kp.org/actionplan

Results

Allergies as of 10/20/2020

Nkda [no Known Drug Allergies]

Did we hit the mark?

Thank you for choosing Kaiser Permanente. We want to be your trusted partner throughout your health journey. That is why your personal doctor communicates with each member of your care team (nurses, specialists, pharmacists) to ensure we know your entire medical history and medications. Also, we want to make sure you have convenient access to your personal doctor and care team which is why we have extended hours of our operations (7 a.m. -7 p.m. Monday-Friday and 8 a.m.-noon Saturday) at most of our facilities. We believe you should have a high quality experience every time you visit with us. We'd like to know how we're doing! If you receive a survey about your experience, please help us by taking a few moments to fill it out.

Urgent Care

Get the right care when you need it. Call **303-338-4545** or **1-800-218-1059** (TTY **711**) anytime, day or night, and our advice nurses will assess your situation and direct you to the nearest care facility.

Manage your health plan costs

Knowing what you can expect to pay for common exams, tests, and procedures can help you better manage your health. Get an estimate online at **kp.org/costestimate** before or after your visit. To use this secure feature, you'll need to be registered on kp.org. Not registered yet? Visit **kp.org/registernow**.

Care Options to Fit Your Lifestyle

At Kaiser Permanente, there are many care options available to fit your lifestyle. In addition to in-person appointments, you can chat with a doctor online, have an e-visit consultation with a nurse, schedule a phone visit with your doctor, or email your doctor with nonurgent questions - all at **kp.org**. Some medical concerns can even be addressed by a video visit! Ask your doctor about video visits, and explore all of your care options at **kp.org/getcare**.

Get your flu shot

Protect yourself and those around you with a flu shot at no cost to members. Flu shots are still available at most Kaiser Permanente medical offices. Everyone should get the flu shot. To find out about this year's flu shots visit **kp.org/flu**, or call our recorded flu hotline any time, day or night: Denver/Boulder: **303-344-7600** | Northern/Southern Colorado: **1-866-868-7091**
