Thank you for trusting your Medicare prescription drug coverage to Devoted Health Colorado PPO. As our member, we want to help you get the most value from your prescription drug coverage and help you understand how your coverage works.

As a member of Devoted Health, we are pleased to inform you that, upon review of the information provided by you or your doctor, we have approved the requested coverage for the following prescription drug(s):

HYDROCODONE-IBUPROFEN Tablet

Type of coverage approved: Non-Formulary

This approval authorizes your coverage from 05/24/2024 - 08/22/2025, unless we notify you otherwise, and as long as the following conditions apply:

- you remain enrolled in our Medicare Part D prescription drug plan,
- your physician or other prescriber continues to prescribe the medication for you, and
- the medication continues to be safe for treating your condition.

Depending upon the strength and/or formulation of the drug prescribed by your physician, different quantity limits or safety edits may apply in the future.

If you have not already filled your prescription for this approved drug, you may do so at a participating network pharmacy.
