re: Duplicate Label Request

This letter is to request a duplicate print of the label for prescription:  
Rx 352561127  
Metoprolol Tart 25 MG Tab  
Dispensed 9/20/22

I have posted a picture of the label on the Internet at:  
[https://www.mkgappraisal.com/nj\\_03.jpg](https://www.mkgappraisal.com/nj_03.jpg)

If you stamp the duplicate label as a "copy" or "void", I have no problem with that. Please mail the duplicate label to the same address the prescription was sent:

Philip Rice  
11268 E Linvale Dr  
Aurora, CO 80014

It is my request that you have the duplicate label mailed to me no later than Friday, September 1, 2023. I realize this is asking for a fast response, and you have other things to do. But please do at least this much:

Immediately (not later than September 1st) send me an email, to acknowledge receipt of this letter. If you are unable to send my duplicate label by 9/1/23, then make up your own deadline, and commit to that.

[phil.rice@mkgappraisal.com](mailto:phil.rice@mkgappraisal.com)

But please immediately send an email. Make an effort. Show me some good faith. You can do this.

I know that your pharmacy is not required to provide me with a duplicate label, and not required to say why. I get that.

Having said that:

I suggest that it is in your best interest to at least send me an email. If I get no response at all, that would be a mistake.

Please do not attempt to call me on the telephone. Send me an email if you would like to set up a telephone call.
