Denver, CO 80247  
Attn: Tsigereda Doe, Pharmacist

re: Adverse Interaction Review

I am writing to ask for your help. Please review my updated medication list (attached) for any potential adverse interaction concerns. Please write back, or email, and let me know. Thank you.

# Patient Manifesto

Last Modified February 14th, 2020

My name is Philip Rice  
Kaiser Health Record No. 427582802  
DOB: 04/25/53

- 1) I am an advocate and a decision maker for my health care.
- 2) I am not barefoot and pregnant.
- 3) What is your name? This is a reasonable question. I am entitled to a respectful answer. This is especially true in light of the fact that YOU, the health care provider, feel entitled to demand to see my drivers license.
- 4) My time is valuable too.
- 5) How much does it cost? This is a reasonable question. I am entitled to a respectful answer.
- 6) My medical record should be 100% transparent to me.
- 7) The instructions will always make perfect sense when you already know how it works. This is a corollary of Murphy's Law.
