"Hi Bill this is calling calling from Kaiser Permanente East denver Pharmacy I wanted to give you a call back in regards to your question about it kind of bring your med read reviewing your medication list or any adverse interactions. I wanted to reach out to Katie she's one of our clinical pharmacy specialist to kinda double check myself and my pharmacist and make sure she agrees that there are no clinically significant interactions between any of your medications. If you have any questions give us a call back at 303-360-1280 thanks bye."
